LOGISTIK

Finally time for Opening! We celebrate with bubbles and balloons!

We warmly welcome you to the Opening of our new Packing Hall, on Tuesday the 23rd of November! You'll find us at Österängvägen 3.

We offer snacks and other goodies in the office area during minglin and our colleagues from NIM Distribution in Skåne will celebrate with us via link.

A guided visit to the Packing Hall is a given, and you also get the opportunity to look into our vehicle area.

A TV screen in place will give you more information about the program.

Since we want to hold as Covid-friendly Opening as possible, we will need to control the number of guests. We do this by offering two different occasions to choose between. Either 14.00-15.30 or 16.00-17.30. We have limited the number to 50 guests per occasion.

You register via our form on the website. (Register for Opening)

The last day to sign up is Friday 12 November with the reservation that we must deactivate the application form earlier than that, if we have filled the quota of 50 people per occasion.

*Participation is voluntary (no compensation is paid outside regular working hours)
If necessary, use your own means of transport.*

Hope to see you!

Head of Predistribution, Marina Frank by Valéria
